OUR PROMISE

Locally sourced produce is at the heart of our menu and our ethos at No1 Cromer. We only serve the best quality ingredients, and as many as we can are from local and sustainable sources.

All our fish is sustainably sourced. Even the simple things such as our mushy peas and pots of sauces are made in-house and to our own recipes, as we know the small things count.

At Ice Cromer all our ice cream is produced from scratch. All the ingredients, even the milk, are sourced from the heart of Norfolk in conjunction with Lakenham Creamery.

Simple dishes at accessible prices for the whole family are the order of the day, alongside stunning views across Cromer beach and the pier, No1 Cromer really is a special place for the whole family to enjoy.

Children's meals are served in a fun bucket and spade, and they can even come and colour in with our resident crab, aptly named Cromer.

Alongside our Fish and Chip Restaurant sits Upstairs at No1, offering true Modern British Cooking and unrivalled views of the sea and Cromer pier.
